Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

It is respectfully requested that the documents listed on the attached forms PTO-1449 be considered by the Patent and Trademark Office in the above-identified Reissue application. Full copies of the documents are submitted herewith. English abstracts or translations of the documents not in the English language are also provided. This submission is believed to be in compliance with 37 C.F.R. §§1.56, 1.97 and 1.98.

Please note that the following documents were not cited in US Patent No. Re. 36,377, the patent sought to be reissued:

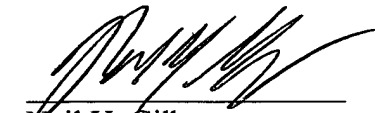

US Patent No. 2,139,143 (Wiswell); and
US Patent No. 5,226,551 (Robbins, III).

No representation is made or intended to be made that a search of the art has been made or that no more relevant documents are available. The citation of the listed documents is not a representation that they constitute a complete or exhaustive listing of the relevant art or that they are prior art. The documents are submitted in good faith, but are not intended to substitute for the Examiner's search. It is hoped, however, that in addition to apprising the Examiner of these particular items, they will assist in identifying fields of search and in making as full and complete a search as possible.

All claims in the above-identified Reissue application, as amended in the enclosed preliminary amendment, are believed to be patentably distinguishable over the art cited, considered individually or in combination, in whole or in part. Early and favorable consideration and allowance of this application is respectfully requested.

Respectfully submitted,

Dated: July 29, 2003
